twelve (12) hours of small group consultation. During these small groups, I will have at least two opportunities to present cases for discussion, and I understand that the time spent presenting these cases can count towards my individual consultation hours.

EMDRIA requires that ten hours must be individual or earned by individual presentation and consultation within a group setting. The Consultant reserves the right to request behavioral work samples of client sessions for review. This may include videos of sessions.

Confidentiality is paramount and required on all cases discussed, relative to discussion held and cases reviewed. Consultant will maintain a record of hours completed.

The cost will be \$450 for participation in the six-month consultation group, and payment is due prior to the start of the group. If the applicant desires to work individually with Elizabeth Venart, the fee for individual consultation is \$150 per hour. Cancellation by either party requires 48-hours advance notice.

The Consultant maintains the right to evaluate the applicant's performance and amount of work deemed necessary for a positive outcome. If, for whatever reason, the Consultant is unwilling to endorse this candidate's application for EMDRIA Certification in EMDR, they will notify the applicant prior to the 10<sup>th</sup> consultation hour of any anticipated concerns, or possible delays in Certification. The applicant may withdraw at any time with the understanding that a letter will be provided to EMDRIA documenting work completed, as well as strengths and weaknesses.

The Consultant will provide a letter of completion to the applicant upon completion of the agreed hours.
